I myself do not have any updates on the plan. I'll try to find someone here at Region 9 that may know.

Brittany,

First, in preparation for tomorrow's call between ECRCO and Region 9, where are we in terms of case management and the investigative plan? Also, at the beginning of tomorrow's call, would you mind giving a recap of where we are in the overall scheme of things?

Second, I wanted to inform you that I will be the Region 9 point of contact moving forward on this case during Amy Miller's detail to USDA. Please cc me on all communications related to this case. Deldi Reyes and Richard Grow would also like to be cc'd as well.

Thanks!
Desean
